QUALITY MANAGEMENT/ MEDICAL AFFAIRS COMMITTEE MEETING

July 15, 2019

Updated: July 15, 2019, 9:43:06 AM
QUALITY MANAGEMENT/MEDICAL AFFAIRS COMMITTEE CONFERENCE CALL
Monday, July 15, 2019 – 5:30 PM – 6:00 PM
Dial-in#: 1-877-336-1831 - Pass-code: 5309184#

Mission
To improve the health and well-being of all people in the communities we serve.

Vision
Heritage Valley Health System will be a leader among community health systems nationally. We will provide exceptional health services across a seamless delivery system, built upon collaborative relationships connecting physicians, employees and the community. We will address both prevention and treatment of disease throughout the continuum of life.

Values
Ethical behavior, responsibility, compassion, collaboration, proficiency, service excellence

Strategic Imperatives
Quality/Safety/Customer Experience, Human Resources, Information Technology, Market Expansion/Community Health, and Fiscal Responsibility

2019 Board Goals
1. Continue to increase Board’s knowledge through education sessions from outside experts (where appropriate) focused on Quality/Safety/Customer Experience, Governance, Strategy, Informatics and other emerging trends.
2. Achieve a 2% to 3% operating margin and 2% operating revenue growth (including all subsidiaries) for fiscal year 2019 and 2020, maintain the current bond ratings (AA- Fitch & A2 – Moody’s) and continue to improve financial & operating performance by evaluating and making necessary programmatic changes to specific unfavorably performing service lines during calendar year 2019 and 2020, while maintaining commitment to the community.
3. Evaluate, monitor, measure and report action oriented results against Board selected benchmark standards of clinical quality, customer experience and patient centered care, which have been set for appropriateness and continued delivery of high quality care.
4. Aggressively explore and evaluate various strategic and integrated relationships and affiliations for clinical and operational program excellence, for the most appropriate vision and relationship for Heritage Valley Health System today and well into the future.

CALL TO ORDER (5:30 p.m.)

WELCOME NEW MEMBER – (Dr. Matthew Wheeler, VP Medical Staff)

APPROVAL OF MINUTES: June 17, 2019 (posted)

• Medical Executive Committee Report
  o July 8, 2019 (posted)

OPEN DISCUSSION

NEXT SCHEDULED MEETING (Meeting – August 19, 2019)

ADJOURNMENT (6:00 p.m.)

Committee Members (12):
Rebecca Pounds, DDS (Chair)  Michael Malkowski, MD
Richard Kim, MD (Vice Chair)  Norm Mitry
Scott Elste  Dennis Pegden, PhD
Lynn George, PhD  Robert Schillo, MD
Jeff Hein, MD  Sridhar Tayur
Karen Jerome-Zapadka, MD  Matthew Wheeler, MD

Staff:
Michael Cratty, MD, PhD
Craig Barr
Sharon Loftus, Esq.
Linda Homyk, MSN, RN
Patty Cone
Minutes

HERITAGE VALLEY HEALTH SYSTEM, INC.
VALLEY MEDICAL FACILITIES, INC.
QUALITY MANAGEMENT/MEDICAL AFFAIRS COMMITTEE MEETING
June 17, 2019
Heritage Valley Sewickley Boardroom

PARTICIPANTS

Directors: Scott Elste; Jeffrey Hein, MD; Richard Kim, MD (Vice-Chair); Michael Malkowski, MD; Norm Mitry; Rebecca Pounds, DDS (Chair); Robert Schillo, MD; and Sridhar Tayur

Staff: Craig Barr; Michael Cratty, MD, PhD; Linda Homyk, RN; Sharon Loftus, Esq.; and Patty Cone

Guests: Sarmad Ashfaq, MD; and Amy McBrien

UNABLE TO PARTICPATE

Lynn George, PhD; Karen Jerome-Zapadka, MD; and Dennis Pegden, PhD

CALL TO ORDER

The meeting was called to order by Chair, Rebecca Pounds, DDS, at 5:32 p.m.

APPROVAL OF MINUTES

By motion made, seconded and carried, the minutes of the teleconference held May 20, 2019, were approved as recorded.

MEDICAL STAFF REPORTS

Dr. Hein referred to the Heritage Valley Beaver and Heritage Valley Sewickley Medical Executive Committees’ Report from the June 10, 2019, meeting (available online prior to the meeting). The items noted below were reviewed and approved by the Medical Executive Committees.

I. LEAVE OF ABSENCE REQUESTS

<table>

</tbody>
</table>
No issues were raised regarding the above initial applicants.
Dr. Kim questioned if there is a need for the AHN Cancer Institute providers to have privileges at HVHS since UPMC is allowing Highmark patients to continue their care at UPMC Cancer Centers. Mr. Mitry stated that AHN has a new office near the Beaver Valley Mall that they are staffing with the physicians who have privileges at HVHS. He also stated that UPMC and AHN have to come to a formal agreement to allow the Highmark patients to continue care at the UPMC Cancer Centers.

5. Reappointments (Attachment 4, 12 pages)

Dr. Hein presented the practitioners applying for reappointment. He noted those items highlighted on Attachment 4. Questions were raised regarding the malpractice cases listed. Dr. Hein noted that we are looking for patterns and trends. If any are identified, they may affect the provider’s privileges. Mr. Tayur asked why there are several decreases in privileges. It was explained that many of the decreases are due to physicians changing their staff category to Active Staff (Limited) or Community Staff since they are no longer active in the hospitals. Their patients are admitted to the Hospitalist service.

*By motion made, seconded and carried, the practitioners applying for initial appointment and reappointment were approved as presented.*

6. Miscellaneous Items

No questions were raised regarding the above Miscellaneous Items.

*By motion made, seconded and carried, the Miscellaneous Items were approved as presented.*
IV. GME REPORTS

A. HERITAGE VALLEY FAMILY PRACTICE AND PODIATRIC RESIDENCY PROGRAMS
   June 6, 2019 Meeting Summary (Attachment 5, 1 page)

B. HVB & HVS EMERGENCY DEPARTMENTS
   Excerpt from the June 6, 2019 Meeting:
   “No Resident issues identified for the month of May.”

The GME Reports are informational.

V. SPECIAL CLINICAL QUALITY PRESENTATION

Sarmad Ashfaq, MD, presented the HVHS Utilization Management Report. Standard Metrics include Case Mix Index (CMI), Observation Patients, Acute Length of Stay (LOS), Readmissions, and Appeals and Denials. The Medicare CMI for FY19 to date is 1.65 compared to budget of 1.61. Our Observation volume is unfortunately increasing in both numbers and percent of total admissions. HVHS FY19 to date has 7,259 Observation patients compared to a budgeted volume of 5,743, which is 26.4% over budget. The HVHS Observation Length of Stay (LOS) is steady at 1.3 days. The acute LOS for FY19 to date is 4.2, with a budget of 4.0. Dr. Ashfaq reviewed Readmission Rates. He stated that Sewickley’s All Cause Readmission Rate from September 2018 to February 2019 is 5.80% with an expected of 6.99%. Beaver’s All Cause Readmission Rate from September 2018 to February 2019 is 9.22% with an expected of 9.59%. Dr. Ashfaq then reviewed denials. He explained that there are two (2) types of denials, Coding Denials and Inpatient Denials. There has been a 16% decrease in coding denials. We have appealed 26% of them, and won 15% of the appeals. For Inpatient Denials and Appeals, there has been a 9% increase in denials from July 2018 to December 2018, with an average of 90 denials per month. We have appealed 60% of them and won 42% of the appeals. 80% of case denials on admission are based on medical necessity.

QUARTERLY PPEC REPORT

Dr. Cratty presented the Quarterly PPEC Report. There are 34 PPE cases for Q1 calendar year 2019 to date. Eight (8) cases have been closed and five (5) cases are pending. Twenty-one cases were evaluated by the PPE Manager, Committee chair and CMO, and did not rise to the level of PPEC. Dr. Cratty noted that a physician was sent a letter in April regarding issues including consent process, infection control, and professionalism. The Leadership Council met in May, and is going to propose a voluntary Performance Improvement Plan. They are meeting with the physician on Wednesday, June 19, 2019. If the physician fails to come to the meeting, the physician’s privileges will be automatically relinquished in accordance with the Medical Staff Bylaws.

QUARTERLY PATIENT SAFETY REPORT (3rd Quarter)

Amy McBrien presented the Quarterly Patient Safety Report. She reviewed 10 Serious Events for Q3 FY19. The events by class included, Skin Integrity (1), Medication Error (1), Treatment Error (2) and Treatment Complication (6). In addition to the 10 Serious Events, there were 301 Incidents and 55 Infrastructure Failures; totaling 366 events. There were zero Sentinel Events in the third quarter. Ms. McBrien also presented the delayed report for Q4 FY18, which was a reclassification of an event at the direction of the Department of Health. She reviewed Serious Events trends by campus and event class from Q1 FY17 to the present.
Root cause analyses were conducted on the following:
1. Ultrasound Probes and High Level Disinfection
2. Infant Falls (without injury)
3. Precipitous ED Delivery
4. ICU Code Event

Mr. Mitry reminded the Committee that the Patient Safety report was presented according to the new report model and asked the Committee if the new model is acceptable. Committee members stated that the amount of information is good, and the trending slides help to summarize the information.

### 3rd Quarter – FY-2019 SPI Performance

Craig Barr referred to the SPI update, FY 2019 through 3 quarters (available online prior to the meeting). He reviewed the scores for the quarter and targets for FY20 for the following measures:

- **Hospital Acquired Conditions (HACRP)** – Seven (7) have been reported, and we are still tracking under our annual goal. We will reduce annual goal from 14 to 13 for FY20.
- **Never events (NQF)** – We have one (1) never event to date this FY. We will keep our annual goal at zero for FY20.
- **Risk-Adjusted Mortality Ratio (HVBP)** – We are currently under our annual goal of .80 and will keep the same goal for FY20.
- **THA/TKS Complications (HVBP)** – We are currently under our goal of 2.8%, and will keep the same annual goal.
- **Risk-Adjusted Readmission Ratio (HRRP)** – For the quarter, we are just under our goal. FY to date we are above our annual goal and will keep our annual goal at 1.0 for FY20.
- **HCAHPS “Rate-this-Hospital” Top Box Score** – Linda Homyk noted that we need to continue to move the scores from “good” to “great”. FY to date goal is below target. We are keeping 77 as our goal for FY20.
- **Emergency Department Mean Score** – Our goal is the 85th percentile. The score for this quarter is 87.5. We are seeing progress at the Sewickley campus with the implementation of the pilot program. Mr. Mitry discussed the 1-year extension of the nursing contract at HVB and the benefits of that extension. We are going to ask the union to implement the pilot program in the ED at HVB. The goal for FY20 will remain the 85th percentile.
- **Emergency Department Door-to-Provider** – We are above our goal of 20 minutes. We will keep our annual target at 20 minutes.
- **Clinical Satellite Mean Score** – This score is stable. We will keep the same target for FY20.
- **CG-CAHPS “Rate-this-Provider” Top Box Score** – We are consistently above goal and are moving the goal for FY20 to the 85th percentile.

*By motion made, seconded and carried, the SPI annual targets for Fiscal Year 2020 were approved as presented.*

### PATIENT SAFETY CULTURAL SURVEY

Amy McBrien presented the AHRQ Culture of Safety Survey process. She noted that The Joint Commission’s leadership standards require the leaders to evaluate the culture of safety using valid, reliable tools. They must also implement changes identified by the evaluation, create and implement a process of managing behaviors that undermine a culture
PROCESS of safety, and develop a code of conduct that defines acceptable behavior. The Leap Frog Group also requires that we conduct a survey using a nationally recognized tool, every 24 months.

Ms. McBrien reviewed the number of participants by location for both the December 2017 and June 2019 surveys. Evaluation of the 2019 survey are underway. Both surveys identified that staff feels mistakes are held against them. This is an opportunity for improvement.

JOINT COMMISSION UPDATE

The Senior Management Team presented a summary of the successful HVB Joint Commission Survey that took place April 30, 2019 through May 3, 2019. There were some concerns prior to the survey because this was the first year that HVHS has undergone an accreditation survey under the SAFERTM Matrix methodology. Craig Barr displayed the SAFERTM Matrix and explained the scoring. He noted that there were twenty-nine standard findings during the survey: six (6) life safety, twelve (12) environment of care, one (1) medical staff, three (3) record of care, two (2) medication management, and five (5) provision of care. We were able to avoid citations for ligature risks on the behavioral health unit after they reviewed our plan to update the rooms, and we were able to show one room that was almost completed. In addition, we were able to avoid a ligature risk in the ED by making a same-day correction involving removal of lockers. Each Joint Commission finding at HVB has either been corrected or is currently in the process of review with establishment of correction actions and education. All evidence of standards compliance (ESC) will be submitted electronically to The Joint Commission by July 6, 2019. Per the successful ESC submission approval by The Joint Commission, HVB will be formally re-accredited for the next 36 months.

Since the HVS behavioral health unit is moving to Ohio Valley, we are not updating the rooms and are at risk for citations on the behavioral health unit during the upcoming survey. We are in the survey window from now through November 12, 2019.

OPEN DISCUSSION

Annual Schedule Review

The CY 2019 Quality Management/Medical Affairs (QM/MA) Committee Annual Meeting Schedule was posted.

NEXT SCHEDULED MEETING

The next meeting will be a Conference Call on Monday, July 15, 2019.

ADJOURNMENT

The meeting was adjourned.

Respectfully submitted,

Patty Cone
Director, Medical Staff Support Services
## HERITAGE VALLEY HEALTH SYSTEM AFFILIATED FACILITIES
### MEDICAL STAFF
#### CLINICAL PRIVILEGES DELINEATION FORM

### CRITICAL CARE

**NAME**

- [ ] Initial privileges (initial appointment)
- [ ] Renewal of privileges (reappointment)

Please select facility(ies) of involvement:

- [ ] Heritage Valley Beaver
- [ ] Heritage Valley Sewickley

**Applicant:** Applicants have the responsibility of producing information deemed adequate by the Heritage Valley Health System and Medical Staff(s) for a proper evaluation of current competence, current clinical activity, and other qualifications and for resolving any doubts related to qualifications for requested privileges. For reappointment applicants, information about the competence and clinical activity may come from the Heritage Valley Health System Peer Review Committee.

**Department Chair:** Check the appropriate box for recommendation on the last page of this form and include your recommendation for focused professional practice evaluation. If recommended with conditions or not recommended, provide the condition or explanation on the last page of this form.

**Applicant Please Note:**
- Privileges granted may only be exercised at the site(s) and/or setting(s) that have sufficient space, equipment, staffing, and other resources required to support the privilege.
- This document is focused on defining qualifications related to competency to exercise clinical privileges. The applicant must adhere to Heritage Valley Health System’s organizational, regulatory, or accreditation requirements.

### Basic Requirements:
Successful completion of an Accreditation Council for Graduate Medical Education (ACGME)—or American Osteopathic Association (AOA)—accredited postgraduate training program in the relevant medical specialty and successful completion of an accredited fellowship in critical care medicine.

If more than 12 months have passed since completion of training, applicant must provide evidence of current demonstrated competence and an adequate volume of experience as established by the Heritage Valley Medical Executive Committee(s) with acceptable results reflective of the scope of privileges requested.

◆ And ◆

Current certification and maintenance of specialty board certification, unless exempted by the Heritage Valley Medical Staff Bylaws. Physicians who have recently completed their residency and fellowship training may become members of the Medical Staff if they have satisfied all of the requirements to sit for the certifying exam and thereafter obtain certification in critical care medicine by the relevant American Board of Medical Specialties or the American Osteopathic Board within the earlier of (i) the time frame mandated by the American Board of Medical Specialties (ABMS) or American Osteopathic Association (AOA) or (ii) within 5 years of the completion of fellowship training. If a physician fails to obtain board certification in the required time frame, such physician will be ineligible for medical staff privileges and physicians who are members of the Medical Staff will be deemed to have voluntarily relinquished his or her privileges effective as of the expiration of the time frame.

<thead>
<tr>
<th>Exclusive Contract</th>
</tr>
</thead>
<tbody>
<tr>
<td>If any privileges listed below are covered by an exclusive contract between the Heritage Valley Health System and selected practitioners, those practitioners who are not a party to the contract are not eligible to request the privileges, regardless of education, training, and experience.</td>
</tr>
</tbody>
</table>

Core Privileges: Critical Care

☐ Admit, evaluate, diagnose, and provide treatment or consultative services for patients of all ages with multiple organ dysfunction and in need of critical care for life-threatening disorders. Assess, stabilize, and determine the disposition of patients with emergent conditions consistent with medical staff policy regarding emergency and consultative call services. The core privileges in this specialty include the procedures on the attached procedure list and such other procedures that are extensions of the same techniques and skills.

Core Procedures List:

It is assumed that all practitioners in critical care medicine have experience with the core procedures listed below.

To the applicant: If you wish to exclude any procedures, please strike through those procedures that you do not wish to request, initial, and date. All procedures may be subject to monitoring and review in accordance with Heritage Valley Medical Staff Policy, Bylaws, and Peer Review.

- Performance of history and physical exam
- Airway maintenance intubation, including fiberoptic bronchoscopy and laryngoscopy
- Arterial puncture and cannulation
- Cardiopulmonary resuscitation
- Calculation of oxygen content, intrapulmonary shunt, and alveolar arterial gradients
- Cardiac output determinations by thermodilution and other techniques
- Temporary cardiac pacemaker insertion and application
- Cardioversion and defibrillation
- Electrocardiography interpretation
- Evaluation of oliguria
- Extracorporeal membrane oxygenation
- Flexible fiber-optic bronchoscopy procedures including bronchioloaveolar lavage, washings, and foreign-body extraction, in emergent setting (intensive care)

NAME

Non-Core Privilege/Procedures

To the applicant: All procedures may be subject to monitoring and review in accordance with Heritage Valley Medical Staff Policy, Bylaws, and Peer Review.

☐ Critical Care ultrasound including bedside cardiac ultrasound (excludes full echocardiogram interpretation)

Must have documented attendance at CME courses designated as ultrasound workshops (examples: American Thoracic Society, American College of Chest Physicians, Society for Critical Care Medicine, etc.) or provide documentation of competency from residency or fellowship director.

☐ Percutaneous Tracheostomy Insertion

Provide documentation of competency from residency or fellowship director, or if more than 12 months have passed since completion of training, applicant must provide evidence of current demonstrated competence and at least 25 successful cases.

☐ Open or Surgical Technique Tracheostomy Insertion

Provide documentation of competency from residency or fellowship director, or if more than 12 months have passed since completion of training, applicant must provide evidence of current demonstrated competence and at least 25 successful cases.

☐ Administration of Deep Sedation

Privileges are per the requirements of the current Heritage Valley Health System Policy and Procedure for Deep Sedation by Non-anesthesiologists.

☐ Administration of Moderate Sedation

Privileges are per the requirements of the current Heritage Valley Health System Policy and Procedure for Moderate Sedation by Non-anesthesiologists.

NAME _____________________________

☐ Initial privileges (initial appointment)
☐ Renewal of privileges (reappointment)

Applicant Please Note:
- If you choose Type I Core Privileges, please review Type I Core Procedures and choose as applicable.
- If you choose Type II Core Privileges, please review Type I and Type II Core Procedures and choose as applicable.
- If you choose Type III Core Privileges, please review Type I, Type II and Type III Core Procedures and choose as applicable.
- If you choose Type IV Core Privileges, please review Type I, Type II, Type III and Type IV Core Procedures and choose as applicable.

Privileges granted may only be exercised at the site(s) and/or setting(s) that have sufficient space, equipment, staffing, and other resources required to support the privilege.

This document is focused on defining qualifications related to competency to exercise clinical privileges. The applicant must adhere to Heritage Valley Health System’s organizational, regulatory, or accreditation requirements.

Applicants have the responsibility of producing information deemed adequate by the Heritage Valley Health System and Medical Staff(s) for a proper evaluation of current competence, current clinical activity, and other qualifications and for resolving any doubts related to qualifications for requested privileges. For reappointment applicants, information about the competence and clinical activity may come from the Heritage Valley Health System Peer Review Committee.

Department Chair: Check the appropriate box for recommendation on the last page of this form and include your recommendation for focused professional practice evaluation. If recommended with conditions or not recommended, provide the condition or explanation on the last page of this form.

Basic Requirements:
Successful completion of a podiatric surgical residency accredited by the Council on Podiatric Medical Education (CPME).

And
Current certification and maintenance of specialty board certification, unless exempted by the Heritage Valley Medical Staff Bylaws. Podiatrists who have recently completed their residency training may become members of the Medical Staff if they have satisfied all of the requirements to sit for the certifying exam as defined by the American Board of Podiatric Medicine (ABPM) or American Board of Foot and Ankle Surgery (ABFAS) (see privilege type I, II, III, and IV for requirements), have active participation in the examination process and thereafter obtain certification within the earlier of (i) the time frame mandated by the ABPM or ABFAS, as applicable or (ii) within 5 years of the completion of residency training. If a podiatrist fails to obtain board certification in the required time frame, such podiatrist will be ineligible for privileges and podiatrists who are members of the Medical Staff will be deemed to have voluntarily relinquished his or her privileges effective as of the expiration of the time frame.

And
Reappointments (Renewal of Privileges): Current demonstrated competence and an adequate volume of experience as established by the Heritage Valley Medical Executive Committee(s) with acceptable results reflective of the scope of privileges requested for the past 24 months based on results of Heritage Valley Peer Review Committee Ongoing Professional Practice Evaluation (OPPE) outcomes.

And
Evidence of current physical and mental ability to perform privileges requested is required.

Exclusive Contract
If any privileges listed below are covered by an exclusive contract between the Heritage Valley Health System and selected practitioners, those practitioners who are not a party to the contract are not eligible to request the privilege(s), regardless of education, training, and experience.

Please select facility(ies) of involvement:
☐ Heritage Valley Beaver
☐ Heritage Valley Sewickley
☐ Heritage Valley Surgery Center

Qualifications for podiatry (type I)

Initial privileges: To be eligible to apply for privileges in podiatry (type I), the applicant must meet the following criteria:
The applicant must demonstrate successful completion of pediatric surgical residency accredited by the Council on Podiatric Medical Education (CPME).

AND

Current board certification or active participation in the examination process leading to board certification in forefoot surgery by the American Board of Foot and Ankle Surgeons (ABFAS) or the American Board of Podiatric Medicine (ABPM).

AND

Required current experience: At least 24 type I pediatric procedures, reflective of the scope of privileges requested, during the past 24 months or successful completion of an accredited training program within the past 12 months.

Renewal of privileges: To be eligible to renew privileges in podiatry (type I), the applicant must meet the following criteria:
Current demonstrated competence and an adequate volume of experience (type I pediatric procedures) as established by the Heritage Valley Medical Executive Committee(s) with acceptable results, reflective of the scope of privileges requested, for the past 24 months based on results of Heritage Valley Peer Review Committee Ongoing Professional Practice Evaluation (OPPE) and outcomes. Evidence of current physical and mental ability to perform privileges requested is required of all applicants for renewal of privileges.

Core privileges: Podiatric (type I)

☐ Coadmin, evaluate, diagnose, provide consultation to, order diagnostic studies for, and treat the foot by mechanical, medical, or superficial surgical means on patients of all ages. The core privileges in this specialty include the privileges and Type I procedures on the attached procedures list and such other procedures that are extensions of the same techniques and skills.

Please select facility(ies) of involvement:
☐ Heritage Valley Beaver
☒ Heritage Valley Sewickley
☐ Heritage Valley Surgery Center

Qualifications for podiatry (type II)

Initial privileges: To be eligible to apply for privileges in podiatry (type II), the applicant must meet the following criteria:
The applicant must demonstrate successful completion of at least a 24-month podiatric surgical residency (PSR-24) accredited by the CPME.

AND

Current board certification or active participation in the examination process leading to board certification in forefoot surgery by the American Board of Foot and Ankle Surgeons (ABFAS) or the American Board of Podiatric Medicine (ABPM).

AND

Required current experience: At least 24 type II podiatric procedures, reflective of the scope of privileges requested, during the past 24 months or successful completion of a CPME-accredited podiatric surgery residency within the past 12 months.

Renewal of privileges: To be eligible to renew privileges in podiatry (type II), the applicant must meet the following criteria:
Current demonstrated competence and an adequate volume of experience (type II podiatric procedures) as established by the Heritage Valley Medical Executive Committee(s) with acceptable results, reflective of the scope of privileges requested, for the past 24 months based on results of Heritage Valley Peer Review Committee Ongoing Professional Practice Evaluation (OPPE) and outcomes. Evidence of current physical and mental ability to perform privileges requested is required of all applicants for renewal of privileges.

Core privileges: Podiatric (type II)

☐ Coadmin, evaluate, and treat patients of all ages with podiatric problems/conditions of the forefoot, midfoot, and nonreconstructive hindfoot. The core privileges in this specialty include the Type I and Type II procedures on the attached procedures list and such other procedures that are extensions of the same techniques and skills.

Please select facility(ies) of involvement:

☐ Heritage Valley Beaver
☐ Heritage Valley Sewickley
☐ Heritage Valley Surgery Center

Qualifications for podiatry (type III)

Initial privileges: To be eligible to apply for privileges in podiatry (type III), the applicant must meet the following criteria:
The applicant must demonstrate successful completion of a 36-month podiatric surgical residency accredited by the CPME.

AND

Current board certification or active participation in the examination process leading to certification in forefoot surgery and reconstructive rearfoot and ankle surgery by the American Board of Foot and Ankle Surgeons (ABFAS)

AND

Required current experience: At least 24 type III podiatric procedures reflective of the scope of privileges requested during the past 24 months or successful completion of a CPME-accredited podiatric surgery residency within the past 12 months.

Renewal of privileges: To be eligible to renew privileges in podiatry (type III), the applicant must meet the following criteria:
Current demonstrated competence and an adequate volume of experience (type III podiatric procedures) as established by the Heritage Valley Medical Executive Committee(s) with acceptable results, reflective of the scope of privileges requested, for the past 24 months based on results of Heritage Valley Peer Review Committee Ongoing Professional Practice Evaluation (OPPE) and outcomes. Evidence of current physical and mental ability to perform privileges requested is required of all applicants for renewal of privileges.

Core privileges: Podiatric (type III)

☐ Care, evaluate, diagnose, provide consultation to, and order diagnostic studies for patients and treat the forefoot, midfoot, rearfoot, reconstructive and nonreconstructive hindfoot, and related structures by medical or surgical means.

The core privileges in this specialty include Type I, Type II and Type III procedures on the attached procedures list and such other procedures that are extensions of the same techniques and skills.

NAME ____________________________

Please select facility(ies) of involvement:
☐ Heritage Valley Beaver – (Type IV privileges associated with Podiatry Residency Program faculty only)

Qualifications for podiatry (type IV)

Initial privileges: To be eligible to apply for privileges in podiatry (type IV), the applicant must meet the following criteria:
Successful completion of a 36-month podiatric surgical residency accredited by the CPME.

AND

Successful completion of a 12-month foot and ankle surgery fellowship accredited by the CPME or AAOS.

AND

Current board certification or active participation in the examination process leading to certification in forefoot surgery and reconstructive rearfoot and ankle surgery by the American Board of Foot and Ankle Surgeons (ABFAS).

AND

Required current experience: At least 24 type IV podiatric procedures, reflective of the scope of privileges requested, during the past 24 months or successful completion of an accredited podiatric surgical fellowship within the past 12 months.

Renewal of privileges: To be eligible to renew privileges in podiatry (type IV), the applicant must meet the following criteria:
Current demonstrated competence and an adequate volume of experience (type IV podiatric procedures) as established by the Heritage Valley Medical Executive Committee(s) with acceptable results, reflective of the scope of privileges requested, for the past 24 months based on results of Heritage Valley Peer Review Committee Ongoing Professional Practice Evaluation (OPPE) and outcomes. Evidence of current physical and mental ability to perform privileges requested is required of all applicants for renewal of privileges.

Core privileges: Podiatric (type IV)

☐ Consent, or Admit (Per Medical Staff Policy #7), evaluate, and treat patients of all ages with pediatric problems/conditions of the ankle, including procedures involving osteotomies, arthrodesis, and open repair of fractures of the ankle joint. Assess, stabilize, and determine the disposition of patients with emergent conditions consistent with medical staff policy regarding emergency and consultative call services. The core privileges in this specialty include Type I, Type II, Type III, and Type IV procedures on the attached procedures list and such other procedures that are extensions of the same techniques and skills.

NAME ____________________________

Special Non-core Privileges (See Specific Criteria)
Non-core privileges are requested individually in addition to requesting the core. Each individual requesting non-core
privileges must meet the specific threshold criteria as applicable to the applicant.

☐ Non-core privileges: Extracorporeal shock wave therapy (orthotripsy)

Initial privileges: Successful completion of a CPME-accredited training program in pediatric surgery. Applicants must have
also completed an orthotripsy course that included shock wave machine training and observed cases.

AND

Required current experience: Demonstrated current competence and evidence of the performance of at least 10 orthotripsy
procedures in the past 12 months or completion of training in the past 12 months.

Renewal of privileges: Current demonstrated competence and an adequate volume of experience as established by the
Heritage Valley Medical Executive Committee(s) with acceptable results for orthotripsy, for the past 24 months based on
results of Heritage Valley Peer Review Committee Ongoing Professional Practice Evaluation (OPPE) and outcomes.

☐ Non-core privileges: Fluoroscopy

Initial privileges: Requires certificate of completion of the HVHS one hour fluoroscopy training session.

Renewal of privileges: Proof of participation in a one hour annual fluoroscopy training session.

☐ Non-core privileges: Administration of sedation and analgesia

Privileges are per the requirements of the current Heritage Valley Health System Policy and Procedure for Sedation and
Analgesia by Non-anesthesiologists.

NAME ____________________________________________________________

Core procedures list
This is not intended to be an all-encompassing procedures list. It defines the types of activities/procedures/privileges that the
majority of practitioners in this specialty perform at this organization and inherent activities/procedures/privileges requiring
similar skill sets and techniques.

To the applicant: Please check the procedures that you wish to request.

Type I—pediatric

☐ Soft-tissue surgery involving a nail or plantar wart excision, avulsion of toenail, excision or destruction of nail matrix or
  skin lesion, removal of superficial foreign body, and treatment of corns and calluses
☐ Ordering and interpretation of diagnostic tests related to pediatric patients and application or prescription of foot
  appliances, orthotics, shoe modifications, and special footwear
☐ Prescribing medications commonly used in the practice of podiatry

Type II—pediatric

☐ Anesthesia (topical, local, and regional blocks)
☐ Debridement of superficial ulcer or wound
☐ Digital exostectomy
☐ Digital fusions
☐ Digital tendon transfers, lengthening, and repair
☐ Digital/ray amputation
☐ Excision of benign bone cysts and bone tumors of the
  forefoot
☐ Excision of sesamoids
☐ Excision of skin lesion of the foot and ankle
☐ Excision of soft tissue mass (neuroma, ganglion, and
  fibroma)
☐ Hallux valgus repair with or without metatarsal
  osteotomy (including first metatarsal cuneiform joint)
☐ Implantation of arthroplasty forefoot
☐ Incision and drainage/wide debridement of soft tissue
  infection
☐ Incision of onychia
☐ Metatarsal excision

☐ Metatarsal exostectomy
☐ Metatarsal osteotomy
☐ Midtarsal and tarsal exostectomy (including posterior
  calc spur)
☐ External neurolysis/decompression (including tarsal
  tunnel)
☐ Orychoplasty
☐ Open/closed reduction, digital fracture
☐ Open/closed reduction, metatarsal fractures
☐ Plantar fasciotomy with or without excision of calc
  spur
☐ Removal of foreign body
☐ Skin graft Substitutes
☐ Syndactylization of digits
☐ Tenotomy/capsulotomy, digit
☐ Tenotomy/capsulotomy, metatarsal and phalangeal
  joint
☐ Treatment of deep-wound infections, osteomyelitis

NAME ________________________________

Type III—podiatric

☐ Ankle arthroscopy
☐ Ankle stabilization procedures
☐ Arthrodesis tarsal joints, not to include ankle
☐ Excision of accessory osicles, midfoot and rearfoot
☐ Excision of benign bone cyst or bone tumors, rearfoot
☐ Neurolysis of nerves not to include ankle
☐ Open/closed reduction of foot fracture other than digital or metatarsal, and excluding talus and calcaneal
☐ Osteotomies of the foot, not to include ankle
☐ Tarsal coalition repair
☐ Tendon Repair such as debridement and tenodesis tendon transfers of ankle.
☐ Tendon lengthening including Achilles and Gastroc Recession

Type IV—podiatric (Type IV privileges associated with Podiatry Residency Program faculty and Fellowship Trained only)

☐ Ankle fusion
☐ Arthroplasty with or without implants to the ankle
☐ Charcot reconstruction of the ankle, to include external fixation
☐ External Fixation of the ankle and tibia
☐ Major tendon surgery of the foot and ankle, such as tendon transpositionings and transfers above the ankle
☐ Open and closed reduction fractures of the ankle, excluding pilon fractures
☐ Osteotomies of the ankle and distal tibia
☐ Surgical treatment of osteomyelitis of ankle
☐ Treatment of traumatic injury, to include significant dislocation of the foot and ankle which may require external fixation
☐ Plastic surgery techniques involving split thickness skin grafts

NAME

Acknowledgment of Practitioner

I have requested only those privileges for which I am qualified by education, training, current experience and demonstrated performance that I am qualified to perform and I understand that:

(a) In exercising any clinical privileges granted, I am constrained by hospital and medical staff policies and rules applicable generally and any applicable to the particular situation.

(b) Any restriction on the clinical privileges granted to me is waived in an emergency situation and in such a situation any actions are governed by the applicable section of the medical staff bylaws or related documents.

Medical Education Committee Meeting Summary – Fiscal Year 2018-2019

Committee Members: Stephen Hagberg, M.D, Program Director, (Present), Vikram Arora, MD (Absent), Paul Bell, Ph.D. (Present), Michael Cratty, M.D, (Absent), Quynh Chu, MD, (Absent), Robert Deacon, M.D, (Absent), Kevin Dumpc, M.D, (Absent), Lindsay Heiple, DO, (Absent), James Lauer, M.D, (Absent), Jonathan McKrell M.D, (Absent), David Thimons, DO, (Absent), Tam Tran, MD (Co-Chief Resident), (Present), Matthew Ujevich, DO, (Co-Chief Resident), (Present)

June 6, 2019

The Medical Education Committee of Heritage Valley Beaver’s Family Medicine Residency Program meets on the 1st Thursday of each month in the Heritage Valley Beaver’s Cafeteria Small Dining Room at 7:30a.m. Complete sets of minutes are available for review at the Family Medicine Center.

- Residents on Remediation were discussed in which one resident was removed from remediation and another resident is progressing, but still remains on remediation. Other residents and their progress were discussed and determined to be progressing well.
- Health Fair – The Health Fair will be held on Friday, June 14, 2019 beginning at 1:00 pm in the employee parking lot at the FMC.
- Graduation – The Family Medicine Graduation ceremony will be held on Friday, June 21, 2019 beginning at 6:00 pm at Seven Oaks Country Club.
- The annual Team Building Workshop will be held on June 26, 2019 beginning at 1:00 pm for to include all residents including the new incoming residents.
- Faculty Development was deferred for this month.

[Signature]
Stephen Hagberg, M.D., Program Director
Family Medicine Residency Program

[Date]
6/6/2019

SH/sh
The Heritage Valley Beaver and Heritage Valley Sewickley Medical Executive Committees (MEC) approved the following items and they are now submitted to QMMA and the Board of Directors for approval.

I. CORRECTION TO JUNE MEC REPORT: JAMIE DUNN, PA-C - Information

Physician Assistant, Jamie Dunn’s file was presented last month for approval of reappointment to the Advanced Practice Professional Staff, and renewal of her scope of practice. In the Campus column of the reappointment list, the Heritage Valley Surgery Center was noted. She is only requesting privileges at HVS, and not the Heritage Valley Surgery Center. The error was clerical.

II. RETURN FROM LEAVE OF ABSENCE REQUEST – Action

July 2, 2019

The Medical Education Committee of Heritage Valley Beaver’s Family Medicine Residency Program meets on the 1st Tuesday of each month in the Heritage Valley Beaver’s Cafeteria Small Dining Room at 7:30a.m. Complete sets of minutes are available for review at the Family Medicine Center.

- This meeting has now been changed to the first Tuesday of each month moving forward
- Resident Call schedules changes were discussed in detail to be sure these changes are not in violation with duty hours. This will be discussed further at the next Resident Only meeting.
- There will be an intern preceptor as well starting July 2, 2019 until further notice from Dr. Hagberg.
- Dr. Hagberg reminded the faculty to complete the chart review forms while precepting.
- CLER (Clinical Learning Environment Review) has been scheduled for July 23, 2019 and July 24, 2019. Further details to follow.
- Faculty Development deferred this month as Dr. Lauer is out of the office.

Stephen Hagberg, M.D., Program Director
Family Medicine Residency Program
